

FRANCHISE

Payroll Solutions for Franchisees

Grow Your Business and Profit Margins

As franchise businesses look to grow, manual tasks around payroll, workforce management and compliance can distract from strategic goals. Simplify your franchise operations and maximize profitability with bundled services across critical business tasks and an exclusive rate.

Run Payroll in 3 easy steps

Ensure your team is paid on time and accurately, with the ability to run payroll around your schedule and even make pay and deduction adjustments easily via your mobile device.
